Sketch Class (aka "Using Sketches & Making them Your Own")

Do your pages all look the same? Do you want to learn something new? It's time to challenge yourself - and create some great pages! You will see how easy it is to use "Page Maps" or "Sketches" - to make each page different... by "dissecting" patterned papers ... and have paper left over for another layout or a card! Stop in & see the samples we have made using this sketch, and then sign up to jump start your creativity! We'll also show you how to receive free Page Maps each month - to keep your Scrapbook MOJO cooking! You will need to bring: Three 4x6 photos (that can be cropped) and 3 coordinating patterned papers (check your scraps!), adhesive, trimmer & your tool kit. **Thursday, August 6: 6pm - 8:30pm: \$15**
